*An essential resource for all professionals working
in the managed care marketplace*

THE PREFERRED PROVIDER'S HANDBOOK **Building a Successful Private Therapy Practice in the Managed Care Marketplace**

William L. Poynter, M.S.W., B.C.D.

A revolution has been taking place in behavioral health financing, and only those practitioners who learn how to successfully market themselves to managed care organizations are likely to maintain their hold in this rapidly changing system. Realistic, clear, insightful, and highly practical, *The Preferred Provider's Handbook* will help therapists to understand the managed care marketplace and to develop the strategies necessary to meet its many challenges. The volume addresses strategic marketing; provides tools for designing and implementing a marketing plan; and gives a framework for understanding and making profitable use of future trends—in a professional and ethical manner.
